

"TO KNOW HIM
AND MAKE
HIM KNOWN"

Welcome to Harvest Community Church,

This is an exciting opportunity for you to join us today in worship and praise to our Lord and Savior. I trust that you will experience our God's love, mercy, and grace in your life just as He has promised us. We look forward to building our friendship and invite you to contact one of our ushers, greeters, or stop by the Information Desk in the lobby with any questions or concerns you might need addressed. We also have a **free gift** at the Information Desk for all first time guests.

Please use the tear out "**Connect Card**" at the bottom right to communicate with the staff and pastors. This is a good way to share your prayer needs or let us know about needs in your life. Please include your name and contact information on this card, and place it in the offering basket or drop it by the Information Desk.

You are invited to the activity room at the rear of the building between first and second service for **light refreshments**. You will also notice that we have **children's classes**. They currently are for nursery thru 6th grade during first service and nursery thru 12th grade during second service. We encourage you to visit the classroom and speak with our teachers related to having your children participate in these classes.

You will find out more information about all of our ministries by visiting our website at www.harvestpa.org.

At Harvest, you will find that we are boldly proclaiming the Word of God accompanied by the desire to love all. You may contact our church office Monday thru Friday 9am to 3:30pm and obtain more information in regards to our ministry efforts. The church office phone number is 724-548-5643. All of our pastors can be reached via email as well (see listing online or on the back of this brochure).

I pray you find our worship music uplifting and sincere and our sermon bringing God's truth into your life.

I also invite you to consider attending one of our many weekly small Community Groups that meet in homes around the area to spend time in fellowship with others and going deeper in the Word.

I look forward to you coming back soon,
Big Fred Neal
Executive Pastor
